# Admission to Shelton State Community College

Shelton State Community College is an open admission college. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the college with an official copy of their high school transcript or GED Certificate. Students with college work must submit an official copy of their transcript(s) from each college they have attended. Transient students, (visiting students), must submit a letter of transiency from their home institution stating the courses they will be allowed to take. A letter of transiency must be submitted to the college for each term in attendance at Shelton State. Shelton State Community College will not refund tuition outside of the normal refund policy based on advising errors made at the home institution.

Students may be conditionally admitted for one semester without the above information. However, students will not be allowed to register for math or English courses without documentation of prerequisites or the appropriate ASSET score. Please be prepared to provide this documentation at the time of registration.

Students without a high school diploma or GED will not be allowed to register until they have earned a high school diploma or GED or passed the Ability to Benefit Test prior to enrollment. Please contact the Office of Admissions and Records for more information concerning the Ability to Benefit.

## Instructions for Beginning Freshmen

Freshmen entering the college for the first time during the Spring Semester 1999 who complete the ASSET or COMPASS Placement Test, or who have ACT/SAT exemptions, will be assigned to a **STAR Day**. During this assigned STAR Day, students will be advised and registered for their 1999 Spring semester classes. Students must take the placement test before being assigned a STAR Day. Those students exempt from Placement Testing (see test policy below) should call the Counseling Center at (205)391-2232 to sign up for a STAR Day. Space in these sessions is limited; so plan to attend your assigned session. All students taking the placement test prior to or on December 10 will be assigned a STAR day.

## Placement Test Policy

### ASSET/COMPASS Test Policy

All entering students registering for more than three hours of credit or registering for courses requiring competencies must take the ASSET or COMPASS Placement Test prior to registration. Placement test exemptions are given for students who have completed college level math or English courses, or students who have equivalent ACT/SAT scores. (See ACT/SAT Guide below)

### ACT/SAT Placement Guide

Students who have official ACT or SAT score reports on file with the Assessment Coordinator and who have graduated within the last two years may be exempt from placement testing if they attain the following scores: 480 SAT Verbal and 526 SAT math or 20 ACT English and 20 ACT math. Students scoring 20 or higher on the English portion of the ACT or 480 on the Verbal portion of the SAT are not required to take the writing skills or reading skills portion of the placement test and automatically qualify for English 101. Students scoring 20 or higher on the math portion of the ACT or 526 on the math portion of the SAT are exempt from the Numerical Skills portion for the placement test and automatically qualify for Math 100. If a student wishes a higher math placement, they must take the appropriate portion of the placement test. The student should consult a counselor to determine the math test they should take.

It is the student's responsibility to have ACT/SAT scores on file with the Assessment Coordinator. The Assessment Coordinator is located in the Counseling Center on the first floor of the Martin Campus.

### \*\*Important Note\*\*

Students are allowed to retake one or all parts of the Placement Test if they feel their original scores do not accurately reflect their ability. Students retaking the placement test will need to purchase a retake answer form from the Shelton State Bookstore between 8 a.m. - 5 p.m., Monday - Friday. The test administrator will not have the forms needed to retake the test. The cost of the retake answer form will be \$9.

Please arrive at the test site with the retake answer form. The test begins promptly at the time indicated.
